

Central & Southern European
Allergy and Asthma Alliance

**Central & Southern European Allergy and Asthma Alliance
Annual Congress 7-9 May 2026, Warsaw Poland**

*Bridging knowledge, improving lives: allergy & asthma
in Central and Southern Europe*

CSEA3

Dear Esteemed Colleagues,

On behalf of the **Central and Southern European Allergy and Asthma Alliance (CSEA³)**, it is our great pleasure to invite you to the **CSEA³ Annual Congress 2026**, a **hybrid event** offering **both on-site participation in Warsaw, Poland, and online attendance**, which will take place in the vibrant capital city of **Warsaw, Poland, from 7–9 May 2026**: *“Bridging Knowledge, Improving Lives: Allergy & Asthma in Central & Southern Europe”*.

This congress will serve as a premier platform for **scientific exchange, collaboration, and networking** among experts, clinicians, and researchers across Central and Southern Europe and beyond. In line with the mission of the CSEA³, the programme will highlight the latest **advances in allergy, asthma, and immunology**, with a focus on **translating cutting-edge research into improved patient care**.

One of the unique highlights of the CSEA³ Annual Congress 2026 is the **Debate Arena** — the platform where participants can join a select group of experts to actively influence the field of allergy and asthma by **shaping recommendations and guidelines**.

Face-to-face attendance at the congress provides a unique opportunity to join a **Debate Arena and thus engage in dynamic scientific discussions, offer input, and directly help shape best practices, and thus contribute to the advancement of the field**. These arenas will subsequently evolve into **Active Expert Working Groups** that continue their collaborative work throughout the year, bridging the period between CSEA³ congresses.

By bringing together national societies, institutions, and healthcare professionals, the Annual Congress reflects the **CSEA³'s mission to unite efforts, share knowledge, and advance excellence in allergy and asthma care** across the region.

We warmly invite you to join us — **either in Warsaw or online** — and contribute to this important exchange of science, practice, and collaboration. Your expertise and active participation will help shape the future of allergy and asthma management in Central and Southern Europe.

We look forward to welcoming you in Warsaw, for what promises to be an inspiring and impactful meeting.

With warm regards,
Event chairs

Dejan Dokic

Marek Jutel

Ioana Agache

Radoslaw Gawlik

Organizing Committee:

Magdalena Zemelka-Wiacek
Mira Pevec
Jūratė Staikūnienė-Kozonis
Laura Malinauskienė
Miloš Jeseňák
Christian Vogelberg
Maris Bukovskis
Tonya Winders
Zoltan Novák
Carmen Bunu

SCIENTIFIC PROGRAMME

THURSDAY, 7 May

9:00 – 10:00	Registration and coffee		
10:00 – 13:00	INTERACTIVE WORKSHOP: DEBATE ARENA		
10:00 - 11:30	Drug allergy	Werner Pichler	Switzerland
10:00 - 11:30	Severe asthma	Aleksandra Kucharczyk	Poland
11:30 - 13:00	Allergen immunotherapy (AIT)	Krzysztof Kowal	Poland
11:30 - 13:00	<i>In vitro</i> diagnostics	Carmen Panaitescu	Romania
11:30 - 13:00	Food allergy	tbd	
13:00 – 14:00	Registration and working lunch		
14:00 – 14:15	OPENING REMARKS CSEA ³ President Dejan Dokic (North Macedonia) Congress Chair Marek Jutel (Poland) Congress Chair Ioana Agache (Romania) Congress Chair Radosław Gawlik (Poland)		
14:15 – 16:45	SESSION: NOVEL AVENUES FOR IMMUNE MODULATION Chairs: Radosław Gawlik (Poland) & Ioana Agache (Romania)		
14:15 – 14:45	New insights from asthma	Luis Perez de Llano	Spain
14:45 – 15:15	New insights from CRS	Whitney Stevens	US
15:15 – 15:45	New insights from AD	Ester del Duca	Italy
15:45 – 16:15	Strategies for prevention and management of severe reactions in food allergy	Anna Nowak-Wegrzyn	US
16:15 – 16:45	AIT versus biologicals	Marek Jutel	Poland
16:45 – 17:15	Coffee Break & Poster Session		
17:15 – 18:45	SESSION: TYPE V, VI AND VII ASTHMA Chairs: Luis Perez de Llano (Spain) & Werner Pichler (Switzerland)		
17:15 – 17:45	Mechanisms and biomarkers	Ioana Agache	Romania
17:45 – 18:15	The impact of biologicals	Celeste Porsbjerg	Denmark
18:15 – 18:45	Achieving long-term treatment benefits in severe asthma patients	Peter Howarth	UK
18:45 – 19:30	Industry Session - ALK AIT in the multimorbid patient: opportunities and pitfalls Chair: Ioana Agache (Romania)		
18:45 – 18:55	Introduction: Rationale for AIT in multimorbid allergic patients.	Ioana Agache	Romania
18:55 – 19:05	AIT and severe asthma	Marek Jutel	Poland
19:05 – 19:15	AIT and atopic dermatitis	Radosław Gawlik	Poland
19:15 – 19:25	AIT and autoimmunity	Krzysztof Kowal	Poland
19:30 – 21:00	Standing dinner		

FRIDAY, 8 May 2026

8:30 – 10:00	SESSION: BIOMARKERS Chairs: Magdalena Zemelka-Wiacek (Poland) & Carmen Panaitescu (Romania)		
8:30 – 8:50	Immunophenotyping of peripheral blood eosinophils in patients with asthma	Jakub Novosad	Czech Republic
8:50 – 9:10	Genetic markers of nasal polyposis and asthma: insights from Croatian patients	Anamarija Štajduhar	Croatia
9:10 – 9:30	The small airways syndrome	Maciej Kupczyk	Poland
9:30 – 10:00	The potential of skin tapes	Ester del Duca	Italy
10:00 – 10:30	Coffee Break & Poster Session		
10:30 – 11:30	Industry Session - GSK The future of biological treatment for severe asthma patients Chair: Piotr Kuna (Poland)		
10:30 - 10:35	Evolution of biological treatment of asthma	Piotr Kuna	Poland
10:35 - 10:55	Depemokimab: ultra long-acting biological for severe asthma	Maciej Kupczyk	Poland
10:55 - 11:15	Ultra-long-acting drugs in the treatment of respiratory diseases – what do they bring to clinical practice?	Radosław Gawlik	Poland
11:15 - 11:30	Persistence of the biological treatment effect in severe asthma - review of the published data	Alicja Majos	Poland
10:30 – 11:30	Industry session - Stallergenes Greer Workshop in polish		
10:30 - 11:30	Warsztaty (prowadzone w języku polskim): Immunoterapia w praktyce klinicznej – aktualna wiedza i interesujące przypadki kliniczne	Paweł Majak	Poland

11:30 – 13:00	SESSION: PEDIATRIC ALLERGY Chairs: Anna Nowak-Wegrzyn (US) & Mira Pevec (Croatia)		
11:30 – 12:00	The efficacy and safety of immunotherapy in children with food allergy	Sharon Chinthrajah	US
12:00 – 12:30	Point-of-care blood eosinophils to predict preschool wheeze attacks	Sejal Saglani	UK
12:30 – 12:45	Clinical manifestations of atopy in children	Dejan Djokić	North Macedonia
12:45 – 13:00	Early presentation of hereditary angioedema symptoms in a 2-year-old boy	Jurate Staikuniene-Kozonis	Lithuania
13:00 – 14:00	Working Lunch		
14:00 – 15:30	SESSION: ALLERGY AND THE ENVIRONMENT Chairs: Tonya Winders (US) & Maris Bukovskis (Latvia)		
14:00 – 14:30	Climate change and aeroallergens	Athanasios Damialis	Greece
14:30 – 15:00	Nature-based solutions	Tari Haahtela	Finland
15:00 – 15:30	Environmental endotypes	Ioana Agache	Romania
14:15 – 15:15	Industry session - ALK Workshop in polish		
14:15 – 15:15	Warsztaty (prowadzone w języku polskim): Wstrząs anafilaktyczny w praktyce: rozpoznanie i podawanie adrenaliny	Karina Jahnz-Różyk Radosław Gawlik Anna Kosowska Marek Jutel	Poland
15:30 – 16:00	Coffee Break & Poster Session		
16:00 – 17:30	SESSION: THE OLD AND NEW OF AIT Chairs: Laura Malinauskienė (Lithuania) & Vera Mahler (Germany)		
16:00 – 16:20	Experiences with an ultra-rush protocol for the initiation of hymenoptera venom immunotherapy using depot preparations	Tomáš Balner	Czech Republic
16:20 – 16:40	Venom allergy – diagnosis and treatment	Peter Kopač	Slovenia
16:40 – 17:00	Status of AIT in Central and Eastern Europe – results of the CSEA ³ survey	Magdalena Zemelka-Wiacek	Poland
17:00 – 17:30	New AIT Guidelines	Marek Jutel	Poland
17:30 – 18:30	Industry session - Stallergenes Greer Session in polish		
17:30 – 18:30	(prowadzone w języku polskim): Immunoterapia alergenowa (AIT) w niejednoznacznych przypadkach klinicznych – aspekty diagnostyczno-terapeutyczne	Marek Jutel Marita Nittner-Marszalska	Poland

SATURDAY, 9 May 2026

8:30 – 10:30	SESSION: IN VIVO VS IN VITRO ALLERGY DIAGNOSIS Chairs: Karina Jahnz-Różyk (Poland) & tbd		
8:30 – 8:50	Assessment of rhinitis using the exposure chamber	Magdalena Zemelka-Wiacek	Poland
8:50 – 9:20	Molecular allergology in daily practice	Joana Vitte	France
9:20 – 9:50	Ensuring the quality of diagnostic tests	Vera Mahler	Germany
9:50 – 10:15	Novel techniques for skin testing	Sven Seys	Belgium
10:15 – 10:30	Diagnosing contact allergy	Laura Malinauskiene	Lithuania
10:30 – 11:00	Coffee Break & Poster Session		
11:00 – 12:45	SESSION: MANAGEMENT AT THE POINT OF CARE Chairs: Tomáš Balner (Czech Republic) & tbd		
11:00 – 11:30	Co-creation of the management plan	Tonya Winders	US
11:30 – 11:55	Biological treatment of chronic rhinosinusitis with polyps -real-life experience	Radoslaw Gawlik	Poland
11:55 – 12:20	Asthma management	Marcin Moniuszko	Poland
12:20 – 12:45	Drug and food allergy	Iwona Poziomkowska-Gęsicka	Poland
12:45 – 13:00	CLOSING REMARKS Congress Chair Marek Jutel (Poland) Congress Chair Ioana Agache (Romania)		

Venue
TEATR KAMIENICA
al. Solidarności 93
Warsaw, Poland
